## SENATE BILL No. 201

DIGEST OF SB 201 (Updated February 5, 2009 1:59 pm - DI 103)

**Citations Affected:** IC 8-1; IC 32-24.

**Synopsis:** State energy policy. Allows an electricity supplier that is a public utility to obtain from the utility regulatory commission (URC) a certificate of authority to take, acquire, condemn, or appropriate land, real estate, or any interest in land or real estate for certain projects related to electric line facilities. Modifies common law to provide that the owner of land against which eminent domain is initiated may object to the public purpose and necessity of the project only if the condemnor has not obtained a certificate of authority. Requires the utility regulatory commission (URC) to allow the recovery of reasonable and necessary costs incurred by an energy utility in connection with a green infrastructure project that provides electric, steam, or gas service to or receives electric, steam, or gas service from an alternate energy production facility. Provides that an energy utility may implement a rate adjustment if the URC fails to act on an application. Eliminates the reference to a public utility in the statute that sets the requirements for a public utility or pipeline company that initiates eminent domain for entering upon land to examine or survey the property sought to be acquired.

**Effective:** Upon passage; July 1, 2009.

January 7, 2009, read first time and referred to Committee on Utilities & Technology.

UNIFORM PROPERTY OR EASEMENT  
ACQUISITION OFFER

\_\_\_\_\_ (condemnor) is authorized by Indiana law to obtain your property or an easement across your property for certain public purposes. \_\_\_\_\_ (condemnor) needs (your property) (an easement across your property) for a \_\_\_\_\_ (brief description of the project) and needs to take \_\_\_\_\_ (legal description of the property or easement to be taken; the legal description may be made on a separate sheet and attached to this document if additional space is required) It is our opinion that the fair market value of the (property) (easement) we want to acquire from you is \$ \_\_\_\_\_, and, therefore, \_\_\_\_\_ (condemnor) offers you \$ \_\_\_\_\_ for the above described (property) (easement). You have thirty (30) days from this date to accept or reject this offer. If you accept this offer, you may expect payment in full within ninety (90) days after signing the documents accepting this offer and executing the easement, and provided there are no difficulties in clearing liens or other problems with title to land. Possession will be required thirty (30) days after you have received your payment in full. HERE IS A BRIEF SUMMARY OF YOUR OPTIONS AND LEGALLY PROTECTED RIGHTS:

1. By law, \_\_\_\_\_ (condemnor) is required to make a good faith effort to purchase (your property) (an easement across your property).
2. You do not have to accept this offer and \_\_\_\_\_ (condemnor) is not required to agree to your demands.
3. However, if you do not accept this offer, and we cannot come to an agreement on the acquisition of (your property) (an easement), \_\_\_\_\_ (condemnor) has the right to file suit to condemn and acquire the (property) (easement) in the county in which the property is located.
4. You have the right to seek advice of an attorney, real estate appraiser, or any other person of your choice on this matter.
5. **Unless the condemnor has obtained a certificate of authority from the Indiana utility regulatory commission for this project under IC 8-1-8.4,** you may object to the public purpose and necessity of this project.
6. If \_\_\_\_\_ (condemnor) files a suit to condemn and acquire (your property) (an easement) and the court grants its request to condemn, the court will then appoint three appraisers who will make an independent appraisal of the (property) (easement) to be acquired.

1 7. If we both agree with the court appraisers' report, then the matter  
 2 is settled. However, if either of us disagrees with the appraisers'  
 3 report to the court, either of us has the right to ask for a trial to  
 4 decide what should be paid to you for the (property) (easement)  
 5 condemned.

6 8. If the court appraisers' report is not accepted by either of us, then  
 7 \_\_\_\_\_ (condemnor) has the legal option of depositing  
 8 the amount of the court appraisers' evaluation with the court. And  
 9 if such a deposit is made with the court, \_\_\_\_\_  
 10 (condemnor) is legally entitled to immediate possession of the  
 11 (property) (easement). You may, subject to the approval of the  
 12 court, make withdrawals from the amount deposited with the court.  
 13 Your withdrawal will in no way affect the proceedings of your case  
 14 in court, except that, if the final judgment awarded you is less than  
 15 the withdrawal you have made from the amount deposited, you will  
 16 be required to pay back to the court the amount of the withdrawal  
 17 in excess of the amount of the final judgment.

18 9. The trial will decide the full amount of damages you are to  
 19 receive. Both of us will be entitled to present legal evidence  
 20 supporting our opinions of the fair market value of the property or  
 21 easement. The court's decision may be more or less than this offer.  
 22 You may employ, at your cost, appraisers and attorneys to  
 23 represent you at this time or at any time during the course of the  
 24 proceeding described in this notice. (The condemnor may insert  
 25 here any other information pertinent to this offer or required by

(b) If the commission fails to act in a timely manner under subsection (a)(3):

(1) the factors listed in section 9(a) of this chapter are considered to have been demonstrated to the satisfaction of the commission; and

(2) the certificate of authority for which the petition was filed under section 7 of this chapter is considered to have been approved by the commission.

Sec. 11. Upon the request of the electricity supplier, the commission shall certify the issuance of a certificate of authority under section 9 of this chapter.

Sec. 12. If:

(1) an action in eminent domain is commenced by a public utility against an owner of land, real estate, or an interest in land or real estate to which a certificate of authority issued under section 9 of this chapter applies;

(2) the public utility files in that action the certificate of authority as certified under section 11 of this chapter; and

(3) the court in that action finds that the public utility has made an offer to purchase the land, real estate, or interest in land or real estate under IC 32-24-1-3(b)(2) and IC 32-24-1-5;

the court shall issue to the public utility an order of appropriation and appointment of appraisers under IC 32-24-1-7 for the land, real estate, or interest in land or real estate and assess compensation and damages for the appropriation under IC 32-24-1.

Sec. 13. Upon review of an appropriate petition filed by an electricity supplier, the commission shall encourage investment in electric line facilities by creating financial incentives that the commission finds to be reasonable and necessary, including the following:

(1) The timely recovery of costs incurred for:

(A) a project for which the commission has approved a certificate of authority under this chapter; or

(B) a project:

(i) for which the commission has not approved a

certificate of authority under this chapter; and  
(ii) that the commission finds to be reasonable and necessary.

(2) The timely recovery of costs, by means of a periodic rate adjustment mechanism, incurred by the public utility taking service under a tariff of, or being assessed costs by, a regional transmission organization approved by the Federal Energy Regulatory Commission, or a successor or similar organization, for an area that includes the control area in which the public utility's assigned service area is located.

(3) The authorization of up to an additional three (3) percentage points on the return on shareholder equity that would otherwise be allowed to be earned on a project.

(4) Financial incentives for projects directly related to the development of alternative energy sources, including renewable energy projects.

(5) Other financial incentives the commission considers appropriate.

**Sec. 14. If an electricity supplier does not petition under this chapter for a certificate of authority for specific electric line facilities:**

(1) nothing in this chapter diminishes:

(A) the electricity supplier's right of eminent domain for those electric line facilities; or

(B) the rights of an owner in any eminent domain proceeding; and

(2) the election by an electricity supplier to not petition under this chapter for a certificate of authority may not be raised as an objection in any eminent domain proceeding by the owner under IC 32-24-1-8."

 description of the property to be acquired). We have made you a formal  
 offer for this property that is now on file in the Clerk's Office in the  
 \_\_\_\_\_ County Court House. Please pick up the offer. If you do not

 with a supporting affidavit that diligent search has been made and that  
 the owner cannot be found. The notice shall be published twice as

## UNIFORM PROPERTY OR EASEMENT

### ACQUISITION OFFER

\_\_\_\_\_ (condemnor) is authorized by Indiana law to obtain  
 your property or an easement across your property for certain public  
 purposes. \_\_\_\_\_ (condemnor) needs (your property) (an  
 easement across your property) for a \_\_\_\_\_  
 (brief description of the project) and needs to take  
 \_\_\_\_\_ (legal description of the property or easement  
 to be taken; the legal description may be made on a separate sheet and  
 attached to this document if additional space is required)

It is our opinion that the fair market value of the (property) (easement)  
 we want to acquire from you is \$ \_\_\_\_\_, and, therefore, \_\_\_\_\_  
 (condemnor) offers you \$ \_\_\_\_\_ for the above described (property)  
 (easement). You have thirty (30) days from this date to accept or reject  
 this offer. If you accept this offer, you may expect payment in full  
 within ninety (90) days after signing the documents accepting this offer  
 and executing the easement, and provided there are no difficulties in  
 clearing liens or other problems with title to land. Possession will be

o

required thirty (30) days after you have received your payment in full.  
 HERE IS A BRIEF SUMMARY OF YOUR OPTIONS AND  
 LEGALLY PROTECTED RIGHTS:

1. By law, \_\_\_\_\_ (condemnor) is required to make a good faith effort to purchase (your property) (an easement across your property).
2. You do not have to accept this offer and \_\_\_\_\_ (condemnor) is not required to agree to your demands.
3. However, if you do not accept this offer, and we cannot come to an agreement on the acquisition of (your property) (an easement), \_\_\_\_\_ (condemnor) has the right to file suit to condemn and acquire the (property) (easement) in the county in which the property is located.
4. You have the right to seek advice of an attorney, real estate appraiser, or any other person of your choice on this matter.
5. **Unless the condemnor has obtained a certificate of authority from the Indiana utility regulatory commission for this project under IC 8-1-8.4**, you may object to the public purpose and necessity of this project.
6. If \_\_\_\_\_ (condemnor) files a suit to condemn and acquire (your property) (an easement) and the court grants its request to condemn, the court will then appoint three appraisers who will make an independent appraisal of the (property) (easement) to be acquired.
7. If we both agree with the court appraisers' report, then the matter is settled. However, if either of us disagrees with the appraisers' report to the court, either of us has the right to ask for a trial to decide what should be paid to you for the (property) (easement) condemned.
8. If the court appraisers' report is not accepted by either of us, then \_\_\_\_\_ (condemnor) has the legal option of depositing the amount of the court appraisers' evaluation with the court. And if such a deposit is made with the court, \_\_\_\_\_ (condemnor) is legally entitled to immediate possession of the (property) (easement). You may, subject to the approval of the court, make withdrawals from the amount deposited with the court. Your withdrawal will in no way affect the proceedings of your case in court, except that, if the final judgment awarded you is less than the withdrawal you have made from the amount deposited, you will be required to pay back to the court the amount of the withdrawal in excess of the amount of the final judgment.
9. The trial will decide the full amount of damages you are to

receive. Both of us will be entitled to present legal evidence supporting our opinions of the fair market value of the property or easement. The court's decision may be more or less than this offer. You may employ, at your cost, appraisers and attorneys to represent you at this time or at any time during the course of the proceeding described in this notice. (The condemnor may insert here any other information pertinent to this offer or required by circumstances or law).
